MAIN OFFICE

FACILITY

FOR ULTIMATE HAPPINESS OF ALL

Headquartered near Seoul, Korea, Andamiro Co. Ltd. designs and manufactures ticket redemption amusements, prize merchandisers and sports games. Since 1999, Andamiro has published and manufactured the world-famous Pump It Up rhythm, music and dance videogames. Andamiro opened its U.S. office in 2000 in southern California. It has since brought to market dozens of high-earning arcade titles that operate in a wide variety of entertainment destinations.

Andamiro's approach is to work closely with its customers to establish an agenda to achieve quality and satisfaction. The company stands behind its commitments strives to exceed customer expectations in providing outstanding products and services. Our main customers include such family entertainment chains as Dave & Buster's Inc. and CEC Entertainment Inc., among other notable brands; amusement equipment resellers; and thousands of professional amusement machine operating companies and independent entertainment centers. Andamiro's customer base spans the globe and its mission is **"For Ultimate Happiness of All."**

MESSAGE

Persistence is a key to success and we at **ANDAMIRO®** will continue to introduce different and better games to the coin-op industry. Building up trust and continue to offer excellent before and after sales services to our valued customers will make us apart from our competition.

Our industry is product driven and only the best sells but, our influence and determination must help sell our games, “the only OPTIMIST sees opportunity in every difficulty”.

*-Satinder K. Bhutani-
President*
